# THE MISSION OF THE HOUSING AUTHORITY FOR LASALLE COUNTY

IS TO STRENGTHEN THE COMMUNITY BY CREATING OPPORTUNITIES FOR DIVERSE HOUSING OPTIONS AND PROVIDING THE OPPORTUNITY FOR SELF-SUFFICIENCY BY PROMOTING ADEQUATE AND AFFORDABLE HOUSING, ECONOMIC OPPORTUNITY, AND A SUITABLE LIVING ENVIRONMENT.

*The Housing Authority for LaSalle County operates several housing programs funded by both Federal and State government agencies, providing affordable housing options for income eligible individuals, families, the elderly and people with disabilities.*

*The HALC partners with other agencies to assist families and individuals in achieving a better standard of living through a wide range of economic, health and social services.*

## SECTION 8

We recognize the complex challenges that our residents face who are in need of affordable housing.

The Section 8 Housing Choice Voucher program is administered by the HALC and provides housing assistance to eligible families in the private rental market within LaSalle and Grundy Counties. Participants pay approximately 30% of their adjusted gross income to the landlord for rent. The balance of the contract rent is paid by the HALC directly to the owner of the property. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single family homes, townhouses and apartments. The participant is free to choose any housing that meets the requirements of the program.

## PUBLIC HOUSING

The Public Housing program provides affordable housing to over 1600 families in our community. Stretching across LaSalle County, the HALC owns and operates more than 1000 units of affordable housing. This includes a variety of housing sites including multi-family developments, scattered site homes and high rises.

The HALC has 8 high rise communities, each with its own architecture and surroundings, located throughout the community. Originally designed for senior living, they offer independent living in a community environment.

Included in this is:

- MONTHLY ACTIVITIES
- DAILY MEALS AVAILABLE
- WELLNESS PROGRAMS
- ON-SITE LAUNDRY FACILITIES
- COMMUNITY AREAS

There are over 15 different additional developments scattered within our community, offering homes with up to 5 bedrooms. These are located close to parks, schools and other amenities.

Public Housing provides families, seniors and peoples with disabilities the financial assistance they need to live in a safe, affordable and well maintained home.
